

March 2021

To all students who apply for BEKKA

School of Japanese Studies for Foreign Students
Osaka International University

Important Notes under COVID-19 pandemic

Please be sure to understand the following precautions when applying to the School of Japanese Studies for Foreign Students (BEKKA), Osaka International University.

1. Depending on the COVID-19 spread in the future, your enrollment to BEKKA may be canceled or deferred to Spring semester 2022.
2. Self-isolation for 14 days from the next day after arrival in Japan is required for all foreigners who enter Japan with a Visa. During this time, you must stay at the hotel, and in principle, you are not supposed to get out of the room. You are responsible for all the costs during this period which is about 150,000 yen to 180,000 yen.
3. Please secure a room by the time you arrive in Japan so that you can move to your room right after you finish self-isolation. (We will introduce real estate agents to successful applicants.).
4. Please check the BEKKA schedule and adjust the date of arrival in Japan with considering the period of 14-day self-isolation.
5. Please understand that Fall 2021 courses may become online classes. We recommend that you bring your laptop (PC) for online courses.
6. Please be sure to get the latest information on your arrival in Japan.

Finally, depending on the recruitment situation (when the number of applicants is small and it is impossible to organize a certain number of classes, etc.), we might cancel the 2021 Fall Semester.

Thank you for your attention.
