

2026 Fall Semester International
Graduate Degree Admission Guidelines
(Second Additional Admission)

국립군산대학교
KUNSAN NATIONAL UNIVERSITY

– IMPORTANT NOTICE –

1. Applicants must submit their application within the designated application period.
2. Some prospective applicants have been misled by inaccurate information about studying at Kunsan National University. Contact inter_adm@kunsan.ac.kr for accurate information.
3. Kunsan National University **does not** operate a preliminary admission system.
4. Since 2021, some departments may conduct interviews by phone, email, or Zoom in addition to document screening. Provide accurate emails and phone numbers in the application.
5. Documents in languages other than Korean or English must provide with translated copies.
6. If corrections are required, use **Edit Application feature** instead of creating new application. Duplicate submissions will be deleted except the most recent submission.
7. Unless this guideline indicates its possibility of transfer, confirm with the department **in advance** whether transfer admission is permitted.
8. Applicants must indicate in the online application whether they wish to apply for on-campus housing and/or the Korean language program.
 - ※ Cancellations penalty of **200,000 KRW** will be charged if a dormitory application is canceled after arrival in Korea.
9. Applicants who reside in Korea must provide their ARC number and visa type.
10. Certificate of Admission issued after payment of first-semester tuition and submission of verification documents of your academic history (Apostille, embassy legalization or CHSI/CDGDC)
 - ※ Non-Chinese applicants must present its original on arrival required by Ministry of Justice guidelines
11. Special Graduate Schools offer master's degree programs only. Classes are held in the evening, usually after 18:00, and students must register for at least five semesters, unlike master's students in the General Graduate School.
 - ※ Students who write a thesis must complete at least 24 credits. Students who graduate without writing a thesis must complete at least 30 credits and earn a graduation GPA of B or higher; for the Graduate School of Education, B+ or higher is required.
12. Students are responsible for contacting their graduate school and department after admission to confirm academic requirements, including foreign language examinations, comprehensive examinations, required credits, thesis requirements, and other graduation requirements.
13. Student who obtain less TOPIK level 4 must enroll Korean language courses after admission.

Students	Korean Language Education	Remarks
Graduate students	○ Students with TOPIK Level 3 or lower at the time of admission, excluding students in art, music, and physical education fields with TOPIK Level 3, must take at least one quarter of Korean language education organized by the IALE within six months after admission.	
English Medium Instruction students (All graduate students)	○ Tests are conducted to confirm students' English proficiency ○ More than 50% of the curriculum is conducted in English ○ Applicants who meet one of the following English-related criteria recognized by IEQAS may be given preference -Applicants with one of the following English test certificates: TOEFL certificate with a score of 530; CBT 197; IBT 71; IELTS 5.5; CEFR B2; TEPS 600 (NEW TEPS 326) -Applicants from an English-speaking country -Applicants who graduated from an English-medium instruction(EMI) school	Students who do not meet the English proficiency requirement at the time of admission must satisfy it within one year after admission.

14. Certificate of Deposit
 - For certificates issued overseas, submission is required after admission results are announced.
 - For students currently residing in Korea who hold a D visa, the Certificate of Deposit must be submitted at the time of visa extension or change in August 2026.

This version of the admission guidelines is provided solely for the convenience purpose of international applicants.

The Korean version shall take precedence in case of any discrepancy.

Semester Begins	August. 31 (Mon), 2026	The Fall semester will begin.

2 Eligibility

Classification	Contents
General Qualification	All applicants must meet one of the following criteria; ① Applicants with foreign citizenship whose parents also hold foreign citizenship. ② Applicants with foreign citizenship who have completed elementary, middle, and high school education outside Korea and have completed their university or graduate education either in Korea or abroad, regardless of their parents' nationality. * Korean citizenship holder (Including dual citizenship) is not eligible for the application. * For Chinese applicant, <u>lifelong education systems</u> (distance learning, internet learning, adult education, Self-Taught Higher Education Exam and Correspondence Education) cannot be recognized as official academic degree. (However, eligibility may be reviewed if the applicant submits a degree certificate issued by the head of the institution and degree and academic verification documents issued by CHSI)
New Admission Qualification	1. Master's Course & MA-PhD Combined Course: Applicants who have completed or are expected to complete a four-year undergraduate program and have obtained or are expected to obtain a bachelor's degree. 2. PhD Course: Applicants who have obtained or are expected to obtain a master's degree from a graduate school in Korea or abroad. * Applicant who is expected to graduate should obtain a degree no later than Aug. 14(Fri), 2026 (Failure will cause cancellation of your acceptance)

Transfer Application	Transfer application is accepted only to department/majors which indicated with Transfer Accepted . (Credits obtained at the previous institution must be approved by "the department to which the applicant wishes to apply in accordance with the criteria outlined in the table below)		
	Master's course	PhD course	Combined course
	9 credits for the 2 nd sem.	9 credits for the 2 nd sem. 18 credits for the 3 rd sem.	9 credits for the 2 nd sem. 18 credits for the 3 rd sem. 27 credits for the 4 th sem.
Recommended Korean Language Proficiency	1. Please refer to the department's requirement to confirm the recommended TOPIK level. 2. Official TOPIK grades must be one within the last two years when the NIED can verify its authenticity. 3. Students admitted with TOPIK Level 3 or lower, or with TOPIK Level 2 or lower in arts and physical education fields, are required to complete 300 hours of Korean language training offered by the Institute of International Affairs and Language Education.		
Other Qualification	Applicant may apply to department/major which does not correspond to their previous undergraduate or master's course field of study.		

3 Selection Process

(1) The Institute of Int'l Affairs & Language Education will evaluate applicants' eligibility (qualified / disqualified):

- Verification of nationality and citizenship.
- Verification of education histories, academic credentials and authenticity of submitted documents.
- Confirmation of whether applicants meet the recommended admission requirements of new transfer admission.
- Verification of any other factors that may affect eligibility.

(2) The respective department will conduct a comprehensive evaluation based on the following criteria and make the admission decision.

① Document-based evaluation:

- Review of academic records and academic performance at the most recent institution.
- Verification of Korean language proficiency (or other foreign language proficiency) as specified by the department's requirement.
- Comprehensive assessment of the applicant's academic ability based on academic records, study plan, and other relevant materials

② Departments conducting interviews:

- The department may conduct interviews (via telephone or video conference)
- Applicants will be notified in advance of the interview schedule and method.
- Interview evaluation will be conducted in accordance with departmental regulations.

※ If an applicant fails to attend the interview due to reasons such as incorrect contact information or failure to check notifications, despite prior notice from the department, the applicant will be disqualified. Responsibility for such cases lies solely with the applicant.

(3) The Institute of International Affairs and Language Education will collect the departmental screening results, convene the Admissions Review Committee, and conduct the final admission review.

4 Departments

"Number" indicates the max number of international students that the dept/major can enroll / 00 indicates the optimal number.

☐ Application allowed ☐ Application not allowed ☒ No degree course offered

(1) Graduate School (Daytime, More than 4 semesters registration, Master's degree requires 24 credits, doctoral course 36 credits)
